Enrollment Application

Please complete the following questions to the best of your knowledge. This information will help us maintain a safe and fun environment for all dogs. We are concerned not only about your dog's safety and health, but also that of our other guests and our team of caretakers. Please take a few moments to tell us about yourself and your best friend. Thank you.

Note:

- ✓ **All dogs over six months of age are required to be spayed or neutered to participate in daycare activities.**
- ✓ **We require written proof of vaccinations from your vet.**
- ✓ **An active flea & tick preventative program is required year round.**
- ✓ **In order to ensure a good fit with Dog Dayz, please return this packet one (1) week prior to your first reservation if possible. Canine caregivers will look it over and approve the packet or set up a time with you and your dog(s) to come in for a social evaluation.**

A friendly reminder:

Guests who participate in group activities may get scratched or bumped when playing with other dogs. Just like human children on a playground, they may incur mild injuries or become soiled from running and wrestling. Please expect to see these types of things on occasion. A Canine Caregiver will always make you aware of any active aggression; otherwise, please do not be alarmed by scratches or teeth marks.

Thank you for choosing Dog Dayz of California.
We look forward to making your dog's dreams come true!

Client Agreement

All statements must be initialed and the agreement signed for your dog(s) to be admitted to Dog Dayz of California. This document may not be altered in any manner. Any changes will be considered null and void without written consent from the Dog Dayz of California General Manager.

Please read the following and initial after each number.

1. ___ I understand that Dog Dayz of California has relied on my information provided and will rely on the contents of this Agreement, that my dog(s) is/are in good health, is/are up-to-date on all required vaccinations, has not had any communicable condition in the last 30 days and has not harmed or demonstrated aggressive or threatening behavior towards any human being and/or another animal.
2. ___ Non-social dogs must have special permission from the General Manager prior to boarding and will not be allowed to participate in daycare activities.
3. ___ I certify that my dog is spayed/neutered or under the age of 6 months.
4. ___ Dogs exposed to the level of activity at dog daycare may feel the discomfort of sore muscles, sore joints, and fatigue.
5. ___ Dogs not regularly exposed to outside activity or play on hard surfaces may experience sore paws, blisters, bruises or abrasions on the feet (raw paw).
6. ___ Dogs at play during regular daycare do get dirty and may get wet. Dogs with longer hair can get matted from the level of activity during daycare. You are welcome to bathe your dog after daycare at time of pick-up in our spa at no additional charge providing space is available.
7. ___ Excessively long toenails may cause injury. You will be notified if your dog's nails are too long. If, at your next visit, the nails have not been trimmed, Dog Dayz staff may trim them and charge you for the service.
8. ___ Fresh water is available at all times of play; however, your dog may still be thirsty after daycare. Please be aware of their water intake; excessive amounts may cause an upset stomach or other problems.
9. ___ Dog Dayz takes all reasonable steps to provide a safe and stimulating environment for dogs in its care. ***I do, however, recognize that there are inherent risks of illness or injury when dealing with animals in this type of environment.*** Dogs not regularly socialized do not necessarily know how to behave politely with other dogs. Please be aware that dogs in groups are at a higher risk of incidents including, but not limited to, bites, fights, fear aggression, object guarding, and behavior problems and/or acting out. The staff at Dog Dayz may periodically restrict play time for dogs displaying inappropriate behavior.
10. ___ I understand that I am 100% responsible for my own dog(s). Dog Dayz will not give out names and phone numbers of clients. I am 100% responsible for my own dog(s) physically, financially, in regards to health, injury or otherwise, even if it is not the fault of my own dog(s).
11. ___ Owners will be charged a replacement fee for any and all destroyed bedding and/or room destruction.
12. ___ I understand that I am responsible for any veterinary bills, or otherwise, incurred on my dog's/dogs' behalf, whether or not it was something that happened at Dog Dayz or outside of Dog Dayz. I hold Dog Dayz and their customers and other customers' dogs harmless and agree to reimburse Dog Dayz for any veterinary costs, or otherwise, for my dog(s).
13. ___ I hereby grant permission to Dog Dayz, its owners, employees, contractors, and/or agents to take any and all action necessary to secure the well-being and health of my dog(s), including any medical attention deemed necessary.

14. ____ I realize there may be times when reasonable deterrent measures will become necessary to prevent injury to other dogs and/or humans, such as painless citronella spray (these situations are extremely rare). In the event of use, the owner will be notified.
15. ____ I understand that all dogs that attend Dog Dayz are fully vaccinated against known communicable diseases but that even vaccination against viruses like “kennel cough” (bordetella) are no guarantee of immunity to certain strains of viruses, including flu or upper respiratory infections often diagnosed as “kennel cough”. Dogs that are not often exposed to large groups of dogs and have not fully developed immunities to these illnesses, along with very young dogs or very old dogs, are at a higher risk of contracting bordetella even when fully vaccinated.
16. ____ I understand that Dog Dayz reserves the right to refuse or revoke admittance to any dog that displays any behavior deemed dangerous or inappropriate and that does not meet the health requirements set forth in Dog Dayz “Rules and Regulations.” I also understand that if my dog ever bites another dog or person that he/she cannot return to Dog Dayz.
17. ____ I also agree to indemnify Dog Dayz of California for any and all loss, liability, claims, expenses, demands, causes of action, suits, rights, and entitlements of any kind caused by my dog(s) during the course of daycare, or an overnight stay, including without limitation, legal costs and attorney fees.
18. ____ I agree to release and hold harmless Dog Dayz, its owners, employees, agents or otherwise from any and all loss, liability, claims, expenses, demands, causes of action, suits, rights, and entitlements of any kind, whether known or unknown, suspected or unsuspected, relating in any way to the services provided herein, including without limitation injury, death, sickness, or damage my dog(s) may suffer during or after participating in daycare or an overnight stay.
19. ____ I understand that on occasion my likeness or my dog’s likeness may be captured on video or other media while staying at Dog Dayz. I hereby authorize Dog Dayz to use, broadcast, and/or reproduce our likeness in video, print, or other media. I agree I will not be compensated for any such use.
20. ____ Although it is the practice at Dog Dayz of California to have canine caregivers supervising and interacting with the dogs at all times, there may be occasions whereby your dog(s) may be outside alone for a brief time. I/We understand that my dog(s) may be left outside alone (or with their siblings) in a fenced-in area without supervision for brief periods of time.
21. ____ I understand that if my dog is not picked up within 14 calendar days after they were due to depart, they will be deemed to be abandoned. Dog Dayz will try to find a new owner for 10 days.
22. ____ This agreement shall govern all future services to be provided by Dog Dayz of California to me, as authorized by me, in person, by telephone, mail, email, or fax.

I certify that I have read and initialed each statement listed above and accept the terms and conditions of this agreement.

Rules and Regulations

To ensure the safety and health of all animals and staff at Dog Dayz of California, all clients are required to comply with the following Rules and Regulations (**please read thoroughly**):

Sex: All dogs must be spayed or neutered (unless they are under 6 months of age).

Vaccines & Preventative: All dogs must be up to date on vaccinations; we also accept titers. All clients must submit *written verification* from their veterinarian that their dog(s) have current DHLPP, Rabies and Bordatella (kennel cough) vaccinations. Specifically, the vaccines required are: 1) Distemper, Hepatitis, and Parainfluenza, Parvovirus; 2) Rabies; and 3) Bordatella. All dogs are also required to be on 4) flea preventative program *year round*. It is your responsibility to provide on-going verification of current vaccinations and preventative flea programs. Spot checking for fleas and ticks is not always a fool proof process; therefore, Dog Dayz requires a flea and parasite preventative (i.e., FrontLine or Advantage) for incoming dogs. **We do not accept flea/tick collars.**

Health: All dogs must be in good health. All clients will need to certify that their dog(s) are in good health and have been free from any condition that could potentially jeopardize other canine guests. Dogs that have been ill with a communicable condition in the last 30 days will require written veterinary certification of health to be admitted or readmitted. If, at any time during our care, it becomes evident that your dog is ill, you'll be notified and expected to pick up your dog immediately. If, at any time during our care, it becomes evident your dog has fleas or ticks, treatment will be applied and charged to the pet parent at a minimum rate of \$30.00. Dogs requiring special attention due to medical restrictions will be assessed by the Pack Leader and may be charged any additional per day fees for any boarding stays.

Leashes and Collars: All dogs must enter and exit the facility on a leash. We ask that retractable leashes and chain collars not be used. For the safety of the dogs in play group, we require a "quick release" collar for all dogs in daycare, including those boarding.

Food: All food brought to Dog Dayz of California must be pre-measured into individual servings, stored in small plastic containers or baggies labeled with the dog's first and last name, date and designated for a.m. or p.m. feeding.

Bedding: All dogs that board with us and bring their own bedding will have their bedding washed unless the parent(s) request otherwise. Please be advised that we are unable to wash any bedding that is too large to fit in our washer and dryer.

Treats: In order to provide your dog with a positive learning experience while at Dog Dayz, we will reinforce your dog's good behavior and ignore unwanted behaviors such as jumping, etc. Your dog will be given treats as a reward for good behavior, unless otherwise instructed by you. These treats are given in small bite-size quantities.

Behavior: All dogs must pass the Social Evaluation before enrollment in our daycare programs. *Parents will need to certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any person. In the event that the guest will participate in daycare or group play, parents will also need to certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any other dog(s) and are not protective of food or toys. The dogs' safety and health is our main priority. Keep in mind that although your dog is supervised when playing with other dogs, he/she still might receive an occasional nip or scratch. We do not accept fence climbers or fence jumpers.*

Although we generally do not accept dogs that are not social, special arrangements can be made if space and staff are adequately able to give the dogs extra attention as needed. With this special approval, dogs who are not social with other dogs may stay as boarders in the cabanas, but may not participate in daycare or group play time. Non-social boarding guests will receive complimentary private play time or complimentary walks around the neighborhood in lieu of group play time.

Age: All dogs must be at least 10 weeks of age and have their completed series (three) of vaccinations, excluding Rabies which will be due by no later than six months of age..

Enrollment: Enrollment Applications are suggested to be turned in at least three (3) days prior to your dog's/dogs' first reservation. *All dogs must have a complete, up-to-date and approved Enrollment Application on file.*

Fees: All daycare due fees are payable at check-out. Fees for boarding guests are due at check-out, unless other arrangements have been approved. Cash, check (maximum check amount is \$500), Visa/MC, AMEX and Discover are accepted. A \$25.00 fee will be applied for any returned check. Discounted packages are provided only if they are paid in advance. Pre-paid packages are non-refundable.

Dogs will NOT be released to pet parents unless all fees due are paid in full.

Dog Dayz Lone Wolf Program

Dog Dayz will happily take a new dog for boarding that is not social, or fails their social evaluation, under our new *Lone Wolf Program*. Your dog may be boarded in a cabana of their choice at a base boarding fee that does not include daycare. There are options for you to choose how your dog's recreational time is spent. You can choose to have your dog walked outside of our facility, or choose private run time, or private play time with a caregiver in the yard. These options can be chosen in 20 minute increments so your pup will have ample time to get exercise and potty. In order to utilize the Lone Wolf Boarding Program, you **MUST** choose at least two recreation options (1 morning and 1 evening) but preferably more, so we aren't leaving any dog in a cabana for more than six hours at a time (except the overnight period).

Boarding Options	Price	AM Option(s) price	PM Option(s) price	Total Price
Luxury Cabana	\$ 36.00			
Luxury Suite	\$ 57.00			
Bunk with night mgr	\$ 78.00			

Recreational Options per 20 minutes (chose 1 for AM and 1 for PM or more)	Price	AM Option (units)	PM Option (units)	Total Options (units)	Total Price
Outside Walk on a leash	\$12.00				
Private Yard time	\$ 7.00				
Private Play time w/staff	\$10.00				
LW Activity Package (2 x private yard time & 2 x leash walk)	\$30.00				

The Lone Wolf Boarding Program will only be available as space allows. During peak holiday times, we may limit the number of Lone Wolves we are able to accept. If you need to board during these busy times, it would be advantageous to book long in advance.
